From the car park, cross over the railway crossing on Croft Lane and turn right immediately onto a public footpath. Follow this between the houses and the railway lines until you come to fields, go ahead still keeping the railway on your right to pass a small playing area on your left.

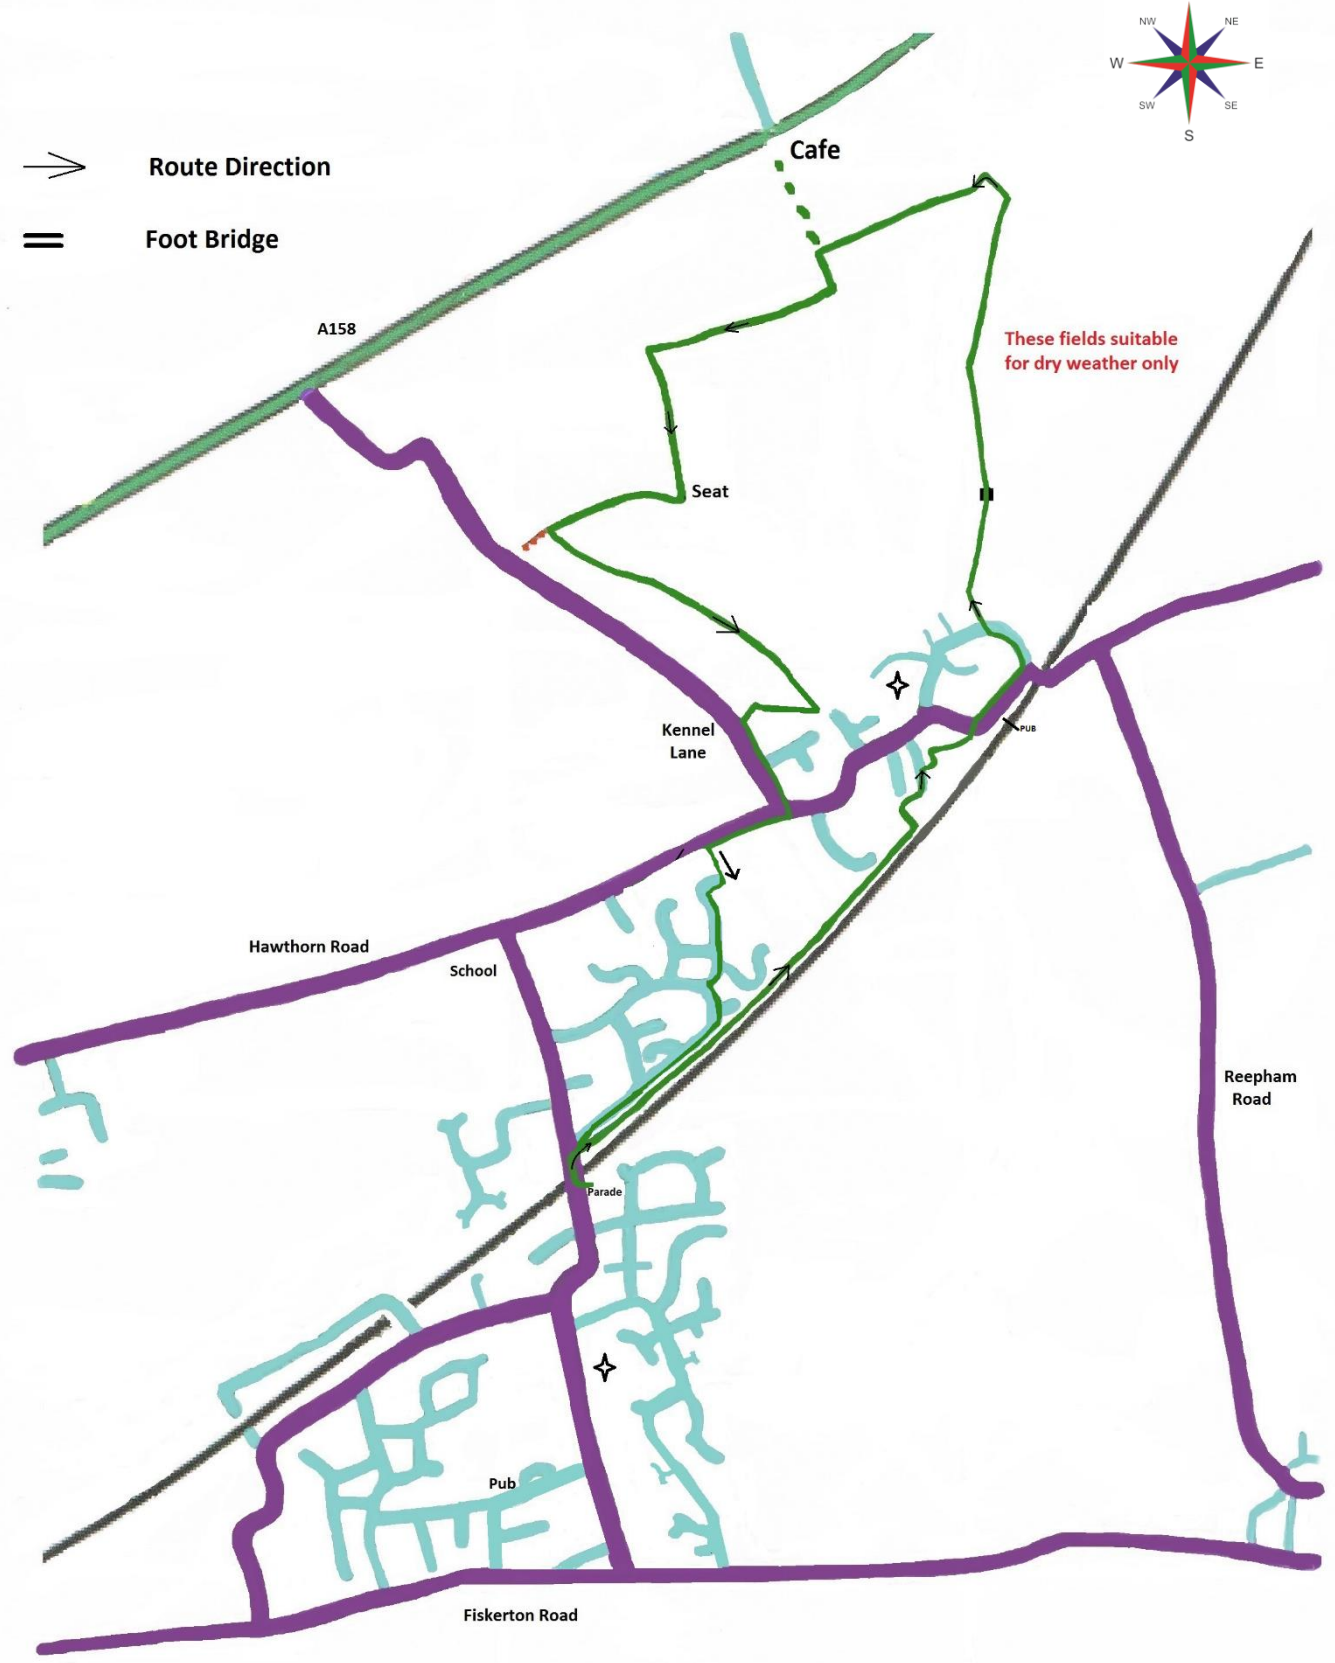

Turn left at the end of the school playing field **A** and follow the public footpath sign to the road. Turn left and cross the road to turn right after number 8 to follow the footpath between the bungalows. In the green area turn left and go through a gate to follow the path. At the end cross the road carefully and follow the footpath in the same direction to pass the pub on your right. Turn left down Smootings Lane, DO NOT CROSS THE RAILWAY LINE.

Follow this round the left hand bend in to The Green, turn right at the footpath sign opposite the white house (No. 1) **B** and go through the farmyard to way marker on the right at the end of the farm buildings. **C** Follow a public footpath over the next three fields: 1st field, cross from footpath sign at end of barn diagonally to next footpath sign to right of two telegraph poles. 2nd field again cross diagonally towards next marker at bridge. **D** 3rd field again cross diagonally following path across to gap in wire fencing to emerge on a quiet road. **E** Turn left and left again to follow the road for approx. 350m. When the road turns right, turn left to follow the farm track. **F** Follow this track to the right, left and right until 100m from the end. Turn left at a public footpath sign to go downhill across the centre of a field. **G** At the far end of the field, just before the houses, turn right, slightly back on yourself, **H** towards the way marker near the wooden fence. Turn right and left to follow the footpath between the houses which emerges on Kennel Lane. Turn left.

At the T junction turn right to pass the burial ground on your right and cross the road with CARE to go down a footpath just before the first house. **I**. Turn left at the turning circle and continue to the end of the road (St. Marks Ave). Turn left on St Paul's Ave. and continue to the end where you turn left again. You are now on Minster Drive. Follow this, almost to the end. Just before the junction with Croft Lane, take the small footpath, by the seat, and follow with the railway line on your left. At the end turn left to return to the Parade car park.
